

# LifeMap Certification

Visit the Faculty Development site for the latest information: [valenciacollege.edu/faculty/development](http://valenciacollege.edu/faculty/development)

LifeMap Certification is designed to support all faculty members, full-time and part-time, as they expand their knowledge and integration of LifeMap with the goal of enhanced student learning and improved college success skills. To attain this certification, faculty will complete 32 hours of required courses and 4 hours of electives. The required courses should be taken in a specific sequence and have required prerequisites.

Note: Previously offered courses may qualify towards certification. Please check the Faculty Development Catalog for the list of these courses or consult with a Center for Teaching/Learning Innovation team member.
