

Study Abroad Program Leader

This series is designed to culminate in the certification of faculty as Study Abroad Program Leaders. The designation will indicate completion of 22 hours of professional development in the area of study abroad and global experiences and will prepare faculty to develop and lead a meaningful short-term study abroad experience for Valencia's students.

To successfully complete the Study Abroad Program Leader Certification and meet the [qualifications to lead a study abroad](#) program, full-time faculty should complete these three courses in the prescribed order.

Note: Previously offered courses may qualify towards certification. Please check the Faculty Development Catalog for the list of these courses or consult with a Center for Teaching/Learning Innovation team.
