

Review Panels formed by the Dean to consist of:

- Department dean
- 1 tenured colleague from candidate's discipline (if possible) & and the candidate's division
- 1 tenured colleague from the candidate's discipline, but from another campus, if possible; otherwise 1 tenured colleague from another campus in any discipline
- 1 tenured colleague from a different discipline & different division (from any campus)

Note: Membership flexibility accepted due to circumstances of department diversity and specialization. Panels should be composed of 2 tenured colleagues outside the candidate's division with at least one 1 tenured colleague from another discipline.
