HOW TO FIND ADDITIONAL MONEY FOR COLLEGE

Scholarships are awarded primarily based on financial need, however, some scholarship programs may not require need. Other factors are also considered, which may include academic talent, performing talent, participation in certain activities or special interest. Scholarship requirements and application procedures vary depending on the criteria set by the scholarship provider.

Visit **valenciacollege.edu/scholarships** to learn more about available scholarship opportunities. The scholarships page offers students a variety of scholarship opportunities from Valencia College Foundation, Valencia College Alumni, private scholarship donors, free scholarship search links and other great scholarship information.

Research local scholarships first.
In general, the smaller the geographical area a scholarship covers, the better your chances of winning. Begin your search with the Valencia College Foundation Scholarships by visiting **valencia.org/scholarships**

Your next stop should be the college aid section of your public library. Most libraries will have a number of books about financial aid, including scholarship guides, such as the College Board's Scholarship Handbook. They also may have information on local scholarships.

Check membership organizations and employers. Organizations of all types and sizes sponsor scholarships, so leave no stone unturned. Explore categories you might not have considered, such as religious, community service, fraternal, military, union and professional.

Many large companies offer scholarships or tuition programs for children or spouses of employees. If you are uncertain about this option ask your family members to check with their Human Resources department.

Use a free online scholarship search.
A scholarship search usually collects information on hundreds of awards and compares your student characteristics with scholarship restrictions. Based on your answers to a questionnaire, you will receive a list of possible scholarships.

REMEMBER:
You should never have to pay for scholarship information. If you're asked to pay a fee for "exclusive" scholarship leads, there's a good chance the scholarship service is really a scholarship scam.

Most of the information you will be asked for on a scholarship search questionnaire will be easy to come up with: year in school, citizenship, state of residence, religion, ethnic background, disability, military status, employer, membership organizations and so forth.

Beyond those questions, you will have to give some thought to your academic, extracurricular and career plans. You should ask yourself:

- Do I want to participate in a competition? If so, what are my talents and interest?
- What subject do I plan to major in?
- What career do I plan to pursue?
- Do I want to apply for all types of aid or only scholarships?

Your answers to these questions will help determine your scholarship eligibility. Take your time brainstorming and don't overlook anything. The more personal characteristics you discover, the more scholarships you could potentially apply for.

GET TO KNOW YOUR CATALOG

IT'S ONLINE

Visit the Valencia College catalog at **valenciacollege.edu/catalog**

The college catalog that is in effect when you first enroll at Valencia College will be your governing catalog—valid for five academic years. It will serve as your official guide to course information, academic policies, and important dates and deadlines.

LEARN SOME VALENCIA COLLEGE LINGO:

Prerequisite (Pre-req) – Course which must be satisfactorily completed before a higher-level related course can be taken.

Co-requisite (Co-req) – A course required to be taken at the same time as another course.

Drop – Refers to the action students take to remove themselves from enrollment in a course. The drop period is scheduled at the beginning of each term. "Dropped" courses are removed from registration records, do not receive academic credit, and do not have financial obligation.

Withdrawal – Refers to the action students take to remove themselves from a course during the withdrawal period (following the drop/refund period), and before the student withdrawal deadline for each term. Withdrawing from a course may have academic and financial obligations; academic consequences include receiving a "W" for the course (which appears on student transcripts). At Valencia College, a grade of "W" will not impact GPA and does not count as completed credit toward a degree; however, a withdrawal will count as an 'attempt.'

Flex Start/Parts of Term – Schedule of all classes that start on a day other than the official first day of classes for any Fall, Spring, or Summer Full Term.

General Education (Gen Ed) – Specific number of credits of basic liberal arts courses required as foundation in university parallel A.A. degree. General education courses also are required in A.S. degree programs.

My Education Plan – A Valencia College web-based educational planning tool in your student portal that allows students to plan their degree completion requirements, determine course sequence and project the time it will take to complete a degree.

Governing Catalog – The Valencia College Catalog goes into effect for degree-seeking students at the time of their initial enrollment in associate degree credit courses. A governing catalog is valid for five years provided students maintain continuous enrollment at the college. Any program of study added to a student's record after the initial enrollment at Valencia College will follow the catalog in effect at the time of the change.

REMEMBER, security is everyone's responsibility, so please lock your vehicle and safeguard your property. Report all suspicious activities to the Security Office.

RESPONSE TO AN ACTIVE THREAT

Be sure to familiarize yourself with your surroundings. Shelter in Place is used when it is safer to stay inside a building—weather-related, ongoing police action, etc.

Note the nearest exit and parking lot for emergency evacuations.

THE CLERY ACT

Valencia College prepares an annual security report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, commonly known as the Clery Act. The Annual Security Report is prepared by Valencia College's Safety, Security and Risk Management department through cooperation of all local law enforcement jurisdictions surrounding our campuses. Crime, arrest and referral statistics are collected from these law enforcement agencies including Valencia College's Safety, Security and Risk Management department. These statistics are published annually and are available on Valencia College's Annual Security Report webpage.

Enacted in 2025, the Stop Campus Hazing Act requires colleges and universities to 1) include all statistics on hazing incidents reported to campus security authorities or local law enforcement in the Annual Security Report, 2) publish information related to hazing incidents in a newly established

Campus Hazing Transparency Report and 3) publish specified information related to anti-hazing policies and hazing prevention programs. Valencia College Hazing Policy: 6Hx28:8-12.

SAFETY AND SECURITY

Downtown Campus has emergency call boxes throughout the campus, which UCF Police Department has jurisdiction over—responding to all emergencies or calls for service.

SUSPICIOUS ACTIVITY

If you see criminal/disruptive/suspicious behavior occurring on campus, notify your campus Security Office. If you would like to report it anonymously, complete the Silent Witness form at: **valenciacollege.edu/witness**

LOST AND FOUND

A lost and found depository is maintained in the Security Office on every campus. All found articles should be turned in to the campus Security Office.

For Downtown Campus, lost and found items should be turned into the security desk. UCF Police Department holds the items for a period of time; however, any unclaimed items are moved to UCF's main campus.

SAFETY WALK

Have a security officer accompany you any time of day, if for any reason, you feel you need one. In the case of Downtown Campus, UCF handles escort procedures.

Wherever you are—walking between classes, in the library, shopping, driving—stay alert and tuned into your surroundings.

- Watch your purse, backpack, briefcase, cell phone, etc.—don't leave them behind.
- Walk or travel with a friend whenever possible.
- Practice the buddy system, which includes letting someone know where you are going; when you plan to return; what routes you will take and how to reach you.
- Stick to well-lit, well-traveled areas.
- Studying late? Call a friend or the Campus Security when you are ready to leave.

For additional information concerning security, visit **valenciacollege.edu/security**

STUDENT IDS

Student IDs are issued at all campus Security Offices, with the exception of Downtown Campus which are issued by UCF Card Services.

STUDENT RIGHTS AND RESPONSIBILITIES

Valencia College is an educational institution committed to providing students with involvement in institutional decision making. This involvement takes many forms. Student Government leaders are elected on the campuses and serve as the official voice of the students to the administration on matters important to students. Students serve as voting members on collegewide and campus committees. The college offers a student leadership development program that not only trains current and potential student leaders, but solicits student input on issues related to student life. College leaders meet regularly with students to obtain feedback on college operations and how they impact campus life for students. A survey is conducted regularly asking currently enrolled students about their perceptions of the specific services and programs offered by the college. Students are continually encouraged to contact their Student Government officers or campus student development assistant directors to volunteer to become active in college committees and/or activities. These and other initiatives by Valencia College staff and student leaders assist the college in being proactive in evaluating and acting on student needs.

In addition to the numerous opportunities for involvement in and impact on institutional decision making at the college, Valencia College students are also responsible for adhering to applicable federal, state, local and college laws, ordinances and policies. The purpose of this section of the planner is to clarify, as much as possible, what you and the college should expect of each other in the areas of student rights, responsibilities and conduct.

ACADEMIC INTEGRITY

(College Policy 6HX28:08-11)

All violations of the Academic Integrity Policy 8-11 are explicitly prohibited within the College community. Definitions and examples of such violations can be found within the Academic Integrity Policy (6Hx28:8-11). If a faculty member or instructor concludes a student has violated this policy and/or its procedures, the faculty member/instructor may choose from the following options:

1. The Faculty member may use the violation as an opportunity to discuss with the student how failing to act with integrity can have a negative impact in the workplace, school, or broader community;

2. The Faculty member may consider the violation to represent poor academic work and assign academic penalties; and/or

3. As circumstances may warrant, the Faculty member may refer the matter to the student conduct review process in accordance with the College Policy (6Hx28: 8-03), Student Code of Conduct.

A full list of potential academic penalties can be found under the Academic Integrity Policy's Procedure Section IV (6Hx28:8-11).

If the student disagrees with the decision of the faculty member/instructor, the student may seek a review of the decision, subject to and in accordance with College Policy (6Hx28: 8-10), Student Academic Dispute and Administrative Complaint Resolution.

Anyone observing an act of academic dishonesty may refer the matter to the faculty member/instructor, as an academic violation, and/or to the Assistant Vice President of Holistic Support, or designee, as an alleged violation of the Student Code of Conduct (6Hx28:8-03).

AIDS POLICY

(College Policy 6HX28:02-04)

Valencia College recognizes that discrimination against individuals diagnosed as having Acquired Immune Deficiency Syndrome (AIDS); Acquired Immune Deficiency Syndrome Related Complex (ARC); or a person determined to

be positive for the Human Immunodeficiency Virus (HIV) is expressly prohibited by Florida law under the provisions of the Human Rights Act of 1977, as amended by Section 760.50, Florida Statutes, 1988, which accords to such infected individuals every protection made to handicapped persons under Section 504 of the Rehabilitation Act of 1973 (Pub. L. No. 93-112).

In accordance with the law, Valencia College will offer students and employees with AIDS the same opportunities and benefits offered to other students and employees while at the same time attempting to balance their rights to an education and to employment against the rights of other students and employees to an environment in which they are protected from contracting the disease.

You have the right to review your records. Statute 20, United States Code, section 1232g and regulations adopted pursuant thereto, hereafter referred to as the Code, requires that each student be notified of the rights accorded to him/her by the Code. The following is provided as basic general information relative to the Code.

1. Student's name

2. Major field of study

3. Dates of attendance

4. Dates of degrees, honors and awards received

If you refuse to permit Valencia College to release directory information, you must inform the Admissions/Records Office in writing. Your decision to refuse the release of directory information also means that your name will not appear on recognition lists or in news releases, etc. You must give written consent for the release of information to third parties. The confidential hold will remain on your record until you submit written consent to release the hold.

All other information, such as health and medical records, disciplinary records, records of personal counseling, required student and family financial income records, transcripts or student permanent records, student placement records and other personally identifiable information shall be open for inspection only to the student and members of the professional staff of Valencia College who have responsibility for working with the student, and, when appropriate, to the parents or guardian of the student. Except as required for use by the president in the discharge of his official responsibilities as prescribed by laws, regulations of the state board, and board policies, the designated custodian of such records may release information from these records to others only upon authorization in writing from the student or upon subpoena by a court of competent jurisdiction.

STUDENT ACADEMIC DISPUTE AND ADMINISTRATIVE COMPLAINT RESOLUTION

(College Policy: 6Hx28: 8-10)

FINAL GRADE DISPUTES:

If you think that your final course grade was assigned in an arbitrary or capricious manner, in violation of college policy, or was not calculated in accordance with the grading system as defined by the faculty member, you shall have recourse through the Student Academic Dispute Resolution process to seek a fair determination for the assignment of a final course grade. However, final grades of "W" and "I" based upon administrative reasons may not be grieved to the campus provost or Student Final Grade Dispute Resolution Committee. The policies and procedures for resolving disputes over final grades are intended to consider the college's responsibility to both students and professors. They do not invalidate any requirements mandated by a course curriculum, i.e., department-sponsored final exams, or requirements to enter or remain in a specific program. The academic prerogatives of a professor at Valencia College regarding specific course assignments or stated policies on a syllabus or other formal course-related materials cannot be challenged or appealed through this process.

All concerns will be addressed in a timely and private manner. You can provide as much or as little information as you like. Your name and all other personal details will only be used to contact you in order to proceed with resolving your concern.

NON-FINAL GRADE AND OTHER ACADEMIC DISPUTES:

Valencia College offers you the opportunity to express concerns privately with an Ombudsman. The Valencia College Ombudsman does not replace or substitute formal grievance, investigative, or appeal processes made available by the college. For more information, visit the Ombudsman program at **valenciacollege.edu/disputes**

Student Administrative Complaint Resolution:

More information about the office of Students Rights and Responsibilities can be found at **valenciacollege.edu/students/ student-rights-and-responsibilities**.

Faculty, staff, students and community members are encouraged to submit an incident report **(valenciacollege.edu/students/student-rights-and-responsibilities)** to the office of Student Rights and Responsibilities should they observe a Valencia College student or registered student organization engage in allegedly violating the College's Student Code of Conduct (6Hx28: 8-03) and/or Academic Integrity Policy (6Hx28:8-11).
