Associate in Science
General Advising Guide

Advising Guide

Advisor Responsibilities

- My goal is to make sure you understand all you need to know about your degree requirements at Valencia College.
- I will provide a safe space for you to discuss your concerns and I will listen, be present, respectful, and genuine.
- Our resources are endless! I will always point you in the right direction if you connect with me.
- I will help you with your questions about colleges and universities you are thinking about transferring to and what it takes to get there.
- Helping you find a major and a career that is right for you is my goal. I will provide you with information and support you along the way.
- This is your journey, but you are not alone! I will help you select your courses, understand your prerequisites, create your plans and set goals.

Student Responsibilities

- I will connect with my advisor every semester.
- When I schedule an appointment, I will start thinking about what I want to talk about.
- I will bring my "note-taking tools" with me to my appointments (e.g., phones, tablets, or good old paper and pen).
- We will be going over important information, so I will keep all of it handy and refer to it often.
- If my advisor refers me to any resources, I will be sure to follow through and I will stay in touch.
- I will take responsibility, know the deadlines, ask questions, stay on track and be the one to know what to do.
