Advisor Responsibilities

- My goal is to make sure you understand all you need to know about your degree requirements at Valencia College.
- I will provide a safe space for you to discuss your concerns and I will listen, be present, respectful, and genuine.
- Our resources are endless! I will always point you in the right direction if you connect with me.
- I will help you with your questions about colleges and universities you are thinking about transferring to and what it takes to get there.
- Helping you find a major and a career that is right for you is my goal. I will provide you with information and support you along the way.
- This is your journey, but you are not alone! I will help you select your courses, understand your prerequisites, create your plans and set goals.

Student Responsibilities

- I will connect with my **advisor** every semester.
- When I schedule an appointment, I will start thinking about what I want to talk about.
- I will bring my “note-taking tools” with me to my appointments (e.g., phones, tablets, or good old paper and pen).
- We will be going over important information, so I will keep all of it handy and refer to it often.
- If my advisor refers me to any resources, I will be sure to follow through and I will stay in touch.
- I will take responsibility, know the deadlines, ask questions, stay on track and be the one to know what to do.

Congratulations on pursuing your passion in Art, Studio Fine Art!

Things to consider:

- Visit **galleries, museums**, new exhibits and gallery openings to view a wide range of art work in order to see what you like.
- Consider purchasing *The Natural Way to Draw* by Kimon Nicolaides as it provides drawing exercises and explanations.
- Be prepared to receive feedback of your artwork. Remember, it's a critique of your artwork, not of you as a person.
- Start preparing for what area you would like to focus on e.g. ceramics, sculpture, painting, drawing or photography.
- Make sure that each project you create is portfolio ready. Focusing on the competencies and workload of each project will help you plan accordingly.
- Consider submitting your art work at Valencia's annual juried student exhibition held during the spring term.
- It is recommended that you take no more than two studio classes at a time and do not overload your schedule.
- Be confident in the work you produce and the ability to discuss the work. The presentation of the work can make it or break it.

What is a Meta-Major?

Meta-majors are collections of academic majors that have related courses. The intent of selecting a meta-major is to help students choose a major and degree based on their interests, knowledge, skills and abilities.

The eight meta-majors are: (a) Arts, Humanities, Communication and Design, (b) Business, (c) Education, (d) Health Sciences, (e) Industry/Manufacturing and Construction, (f) Public Safety, (g) Science, Technology, Engineering, and Mathematics, and (h) Social and Behavioral Sciences and Human Services.

What is the Arts, Humanities, Communication and Design Meta-Major?

This meta-major encompasses a wide range of majors spread across multiple fields and disciplines. In addition to Art, Studio Fine Art majors, this meta-major also includes majors from Performing Arts, such as Music, Theatre, and Dance; Visual Arts and Design, such as Graphic Design and Animation, and Communication and Media, such as Mass Media, Digital Media and Film, among others.

How Do I Run My Degree Audit?

The degree audit is a great tool to help you plan out your courses. It is a summary or audit of your degree. It will show you the classes that you have completed and the ones you have yet to complete. Here are the steps on running a degree audit. We encourage you to consult with your advisor.

1. Log in to **Atlas**.
2. Click on Students on the left hand side.
3. Look for the Path to Graduation box and click on My Academic Progress (Degree Audit).
4. Click on Generate New Degree Audit.
5. Select the term you are currently in, click submit.
6. Click on the button next to the name of your degree.
7. Click on Generate Request.
