Student Success Coaching Guide

Stay on Track for Your A.S. Degree

With an A.S. degree from Valencia College, you are prepared to go directly to work with an exciting career and a well-paying job in as little as two years. You can jump right into the job market with an A.S. degree or you can transfer into a 2+2 bachelor's degree offered at Valencia College or another Florida state college.

Use this checklist as a quick reference to help you along the way toward your A.S. degree. Divided by number of credits earned, this list details the steps you should take to ensure you are on track for graduation. It is a useful tool to guide your progress from enrollment to graduation and beyond. Check it often and don't hesitate to contact your Student Success Coach if you have questions or concerns.

Coaching Guide

Student Success Coach Responsibilities

- My goal is to make sure you understand all you need to know about your degree requirements at Valencia College.
- I will provide a safe space for you to discuss your concerns, and I will listen, and be present, respectful, and genuine.
- Our resources are endless! I will always point you in the right direction if you connect with me.
- I will help you with your questions about colleges and universities you are thinking about transferring to and what it takes to get there.
- Helping you find a major and a career that is right for you is my goal. I will provide you with information and support you along the way.
- This is your journey, but you are not alone! I will help you select your courses, understand your prerequisites, create your plans and set goals.

Student Responsibilities

- I will connect with my Student Success Coach every semester.
- When I schedule an appointment, I will start thinking about what I want to talk about.
- I will bring my "note-taking tools" with me to my appointments (e.g., phones, tablets, or good old paper and pen).
- We will be going over important information, so I will keep all of it handy and refer to it often.
- If my coach refers me to any resources, I will be sure to follow through and I will stay in touch.
- I will take responsibility, know the deadlines, ask questions, stay on track and be the one to know what to do.
