

SENIOR CITIZEN TUITION WAIVER / CERTIFICATION FORM

The state of Florida allows public universities to waive tuition for persons 60 years of age or older who are residents of the state of Florida and who attend credit level or developmental education classes (F.S.1009.26 4). Valencia College extends this same opportunity to those who meet the criteria described in statute and who wish to take college level or developmental courses at the college. This privilege is granted on a space-available basis only and does not include continuing education courses. Moreover, persons using this waiver may only audit their courses and may not be awarded grades or academic credit.

The admissions application fee and other special fees (music practice fees, insurance fees, technology fees, laboratory fees, etc.) are not waived.

Students who wish to take advantage of the above policy agree to the following:

- 1. Registration will be on a space-available basis only. The registration date for students wishing to use this waiver is noted on the Important Dates & Deadlines calendar on the Valencia College website.
2. Senior Citizens registering under this provision are governed by the same rules and regulations as all other students and may take advantage of the same services and activities provided for all students.
3. You must audit the class; you will not be eligible for a grade or college credit. If you desire to earn college credit, you will be charged tuition.
4. Because all courses must be taken as an audit, Financial Aid is not available.
5. This waiver may be used for no more than 6 credit hours.
