

CONGRATULATIONS

from the Orange County Public Schools, School District of Osceola County
and Valencia College Career Pathways Consortium

WHEN CAN I REQUEST MY CAREER PATHWAYS CREDITS?

Congratulations! Through your hard work and perseverance in your high school classes you have earned Valencia College credit at no cost to you through Career Pathways, and Valencia's Career Pathways office wants to help you claim them.

To avoid registering for courses earned through Career Pathways* and if you have a Valencia ID, we recommend you request these credits any time after you have completed your articulated CTE course or prior to enrolling at Valencia. Valencia College credits from Career Pathways are valid up to 24 months after your high school graduation. **Please note: Without your Valencia VID, we are unable to process your credit request. Please wait to submit the online form until you can provide both your Valencia VID and high school ID number.**

Dual enrollment at Valencia does not fulfill Career Pathways requirements for award of credit. Students who were dual enrolled at Valencia while in high school must still submit a credit request and complete one course at Valencia.

HOW DO I RECEIVE MY CAREER PATHWAYS CREDITS?

Complete these three easy steps:

1. Enroll at Valencia and declare the A.S. degree shown in your letter as your program of study. To learn more about A.S. degree programs visit <https://net1.valenciacollege.edu/future-students/degree-options/associate-in-science-degrees/>
2. **If you have both your Valencia VID and high school ID, you can begin the credit request process** any time after completing the articulated CTE course or prior to enrolling at Valencia by submitting the **Get Your Credit Request** form, which can be accessed through the **Claim Career Pathways Credit** link located at the top of <https://valenciacollege.edu/students/career-pathways/>
3. Upon completion of your first course at Valencia, the Career Pathways office will process your credit request.

WHEN WILL I RECEIVE MY CAREER PATHWAYS CREDITS?

Please allow approximately 2-3 weeks after completion of your first course at Valencia for the credits to be processed.

WILL MY CAREER PATHWAYS CREDITS TRANSFER TO A UNIVERSITY?

Career Pathways credits may be awarded at other institutions. Please check with the admissions office of the institution you plan to attend for more information.

PLANNING TO ATTEND SEMINOLE STATE COLLEGE?

Equivalent credits may be awarded at Seminole State College in some program areas. Check with the admissions office at Seminole State College for more information.

PLANNING TO ATTEND ORANGE OR OSCEOLA TECHNICAL COLLEGE?

If Orange or Osceola Technical College is your chosen path, please present the Earned College Credit letter to your technical college's admissions office to receive the vocational credits earned through Career Pathways.

CAN I ALSO BE ELIGIBLE FOR BRIGHT FUTURES?

Yes, check with your Guidance Counselor for more information. Financial Aid is also available.

QUESTIONS?

Visit our website or contact Career Pathways at: valenciacollege.edu/careerpathways/

Valencia's Career Pathways office recommends that you have your **Earned College Credit letter with you when meeting with the Student Orientation Advisor to avoid registering for courses listed in the **Earned College Credit letter**.*
