

Tech Express Articulation to Valencia College Audio Technology & Sound Production A.S. Degree

with [Orange Technical College Digital Audio Production Program](#) for up to 9 earned college credits

(Please see a School of Arts, Entertainment and Design Student Success Coach for A.S. degree and/or technical certificate course scheduling options.)

Criteria for Award of Credit: Students completing an articulated program at Orange Technical College (OTC) can earn Valencia College (VC) credits in the articulated Associate in Science degree by satisfying the following criteria: 1. Prior to your Technical Program graduation, it is recommended that you meet with your campus Tech Express to Valencia Coach; 2. Complete required technical college program at OTC; 3. Complete approved assessment(s) listed below for award of credit; 4. Enroll and attend Valencia College after technical college graduation. Valencia will award Tech Express credits up to three years after technical college graduation. Beyond three years, exceptions will be considered if students can demonstrate current industry knowledge (e.g., employer letter); 5. Provide documentation required for approved assessment(s) to a Tech Express Coach. Upon completion of evaluation process, credit will be awarded.

Course Equivalency in Specialized Courses:

OTC Articulated Program	Assessment for Award of Credit	Articulated VC Course and Credit	Earned Credit Potential	Articulated A.S. Degree
Digital Audio Production (1050 Hours)	Successfully perform hands-on demonstration including interconnecting all components of a basic sound reinforcement system (console, amplifier, microphone, headphone, speakers, compressor, equalizer), and successfully demonstrating its operations AND Pass an approved Valencia College written assessment which includes basic acoustics, electricity and decibels. Both assessments will be evaluated by Audio Technology & Sound Production program chair or staff.	MUM 1002C Fundamentals of Sound (3 credits) MUM 2720C Business of Music (3 credits)	6 credits	Audio Technology and Sound Production <i>Sound Production Specialization</i> or <i>Audio/Music Business Management Specialization</i>
	Present an acceptable portfolio of work to be assessed and evaluated by the Audio Technology and Sound Production Program Chair or staff, which includes the following: (jump drive that contains a fully developed multi instrument MIDI sequence).	MUM 2623C MIDI Electronic Music (3 credits)	3 credits
