

Tech Express Articulation to Valencia College Cybersecurity & Network Engineering Technology A.S. Degree

with Osceola Technical College [Enterprise Desktop & Mobile Support, Enterprise Network & Server Support, Computer Information Systems & Information or Applied Cyber Security Program](#) for up to 9 or 12 earned college credits as shown below

(Please see Network Engineering Technology Career Program Advisor for A.S. degree and/or technical certificate course scheduling options.)

Criteria for Award of Credit: Students completing an articulated program at Osceola Technical College (oTECH) can earn Valencia College (VC) credits in the articulated Associate in Science degree by satisfying the following criteria: 1. Prior to graduation, it is recommended that you meet with your campus Tech Express to Valencia advisor; 2. Complete required technical college program at oTECH; 3. Complete approved assessment(s) listed below for award of credit; 4. Enroll and attend Valencia College after technical college graduation. Valencia will award Tech Express credits up to three years after technical college graduation. Beyond three years, exceptions will be considered if students can demonstrate current industry knowledge (e.g., employer letter); 5. Provide documentation required for approved assessment(s) to VC Career Program Advisor or Program Chair for articulated A.S. degree. Upon completion of evaluation process, credit will be awarded after drop/add date.

Course Equivalency in Specialized Courses:

oTECH Articulated Program	Assessment for Award of Credit	Articulated VC Course and Credit	Earned Credit Potential	Articulated A.S. Degree
Enterprise Desktop & Mobile Support Technology (1050 Hours)	<i>Current</i> and <i>valid</i> copy of one of the following industry certifications: 1) TestOut PC Pro Certification or 2) CompTIA A+ Certification.	CET 2178C Computer Hardware (3 credits) and CNT 2417C Cyber Operations (3 credits)	6 credits	Cybersecurity & Network Engineering Technology
	<i>Current</i> and <i>valid</i> copy of one of the following industry certifications: 1) TestOut Network Pro Certification or 2) CompTIA Network+ Certification.	CET 2486C Local Area Networks (3 credits)	3 credits	
	Passing score on CompTIA A+ Hardware Certification Exam.	CET 2178C A+ Hardware (3 credits)	3 credits	
	Passing score on CompTIA Network+ Certification Exam.	CET 2486C Local Area Networks (3 credits)	3 credits	
Computer Systems & Information Technology (900 Hours)	Passing score on CompTIA Security+ Certification Exam.	CET 2830C Information Security (3 credits)	3 credits	Cybersecurity & Network Engineering Technology
	Passing score on Cisco Certified Entry Network Technician (CCENT) Certification Exam.	CET 1610C Intro to Cisco Router Tech (3 credits)	3 credits
