

Tech Express Articulation to Valencia College Construction & Civil Engineering Technology A.S. Degree

with Osceola Technical College [Building Construction Technologies, Electricity, or HVAC/R 1 & 2 Program](#) for up to 9 earned college credits

(Please see a Construction & Civil Engineering Technology Career Program Advisor for A.S. degree and/or technical certificate course scheduling options.)

Criteria for Award of Credit: Students completing an articulated program at Osceola Technical College (oTECH) can earn Valencia College (VC) credits in the articulated Associate in Science program by satisfying the following criteria: 1. Prior to graduation, it is recommended that you meet with your campus Tech Express to Valencia advisor; 2. Complete required technical college program at oTECH; 3. Complete approved assessment(s) listed below for award of credit; 4. Enroll and attend Valencia College after technical college graduation. Valencia will award Tech Express credits up to three years after technical college graduation. Beyond three years, exceptions will be considered if students can demonstrate current industry knowledge (e.g., employer letter); 5. Provide documentation required for approved assessment(s) to VC Career Program Advisor or Digital Media Technology Program Chair for articulated A.S. Upon completion of evaluation process, credit will be awarded after drop/add date.

Course Equivalency in Specialized Courses:
