

# Tech Express Articulation to Valencia College

## Supervision & Management for Industry A.S. Degree

with [Osceola Technical College Automotive Technology or Diesel Systems Technician I Programs](#) for 24 earned college credits  
*(Please see Supervision & Management for Industry Program Advisor for A.S. degree and/or technical certificate course scheduling options)*

**Criteria for Award of Credit:** Students completing an articulated program at Osceola Technical College (oTECH) can earn Valencia College (VC) credits in the articulated Associate in Science degree by satisfying the following criteria: 1. Prior to graduation, it is recommended that you meet with your campus Tech Express to Valencia advisor; 2. Complete required technical college program at oTECH; 3. Complete approved assessment(s) listed below for award of credit; 4. Enroll and attend Valencia College after technical college graduation. Valencia will award Tech Express credits up to three years after technical college graduation. Beyond three years, exceptions will be considered if students can demonstrate current industry knowledge (e.g., employer letter); 5. Provide documentation required for approved assessment(s) to VC Career Program Advisor or Program Chair for articulated A.S. degree. Upon completion of evaluation process, credit will be awarded after drop/add date.

### Course Equivalency in Specialized Courses:

| OTC Articulated Program                         | Assessment for Award of Credit   | VC Course and Credit  | Earned Credit Potential | VC A.S. Degree                                   |
