# Career Pathways Articulation Agreement
Between
Valencia Electronics Engineering Technology Program and
Orange County Public Schools (Wekiva High School) Electronic Systems Technology Program

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements: 1. Complete required secondary Electronic Systems Technology 1 course with grade "C "or better. 2. Prior to high school graduation, pass required joint assessment with minimum 80% score. *3. Enroll and attend Valencia College after high school graduation.* Valencia College will award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution. **Please note: The following course can only be applied to the Electronics Engineering Technology A.S. degree program at Valencia College.**

1. Complete required secondary courses.	2. Pass required joint assessment.	3. Receive credit for this Valencia course*
Electronic Systems Technology 1 (9202310)	Joint Assessment for award of credit consists of minimum score of 80% on assessment developed by Valencia faculty and graded by high school faculty.	EET 1214C Introduction to Engineering Technology (3 college credits)

*To claim credit, please go to Valenciacollege.edu/careerpathways and click on the "Claim Career Pathways Credits" button.
This will take you to a form to fill out and it will be emailed to the Career Pathways Office.
