

Career Pathways Consortium Articulation Agreement

Between

Valencia Plant Science and Agricultural Technology Program and Orange/Osceola School Districts Horticulture Science and Services Program

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements: 1. Complete required secondary Horticulture Science and Services courses with a “C” or better. 2. Prior to high school graduation, students must pass the required assessment or industry certification. 3. *Enroll and attend Valencia College after high school graduation.* Valencia College will award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution. **Please note: The following courses can only be applied to the Plant Science and Agricultural Technology A.S. degree program at Valencia College.**

*To claim credit, please go to Valenciacollege.edu/careerpathways and click on the words “Claim Career Pathways Credits” This will take you to a form to fill out and it will be emailed to the Career Pathways Office
