### **Planning Your Degree Pathway**

This document outlines the courses needed to complete your Associate in Science (A.S.) degree and prepare you for employment in a specialized career upon degree completion. These courses include general education requirements as well as courses specific to your field. Please connect with your Student Success Coach if you need introductory coursework, have earned college credit, industry certifications, have completed an articulated program at a technical college, or would like to modify when you take certain courses and/or how many courses you take in a term. A Student Success Coach can also provide guidance on how to transition or transfer to a bachelor's degree Additional Degree Requirements

- Introductory Coursework: Admissions requirements and/or placement testing may require completion of preparatory courses
- Civic Literacy: Must satisfy with POS 2041, AMH 2010 or AMH 2020 (also satisfies Social Science Core) and Florida Civic Literacy Exam or appropriate scores on AP or CLEP exams

←Start Here→

- Grade Point Average (GPA): Maintain 2.0 or higher for both Overall GPA and Valencia GPA
- Valencia Residency: Complete at Valencia at least 25% of the college-level credits required for the degree
