

Chicago Manual Style Citation

Internet - Periodical - Newspaper

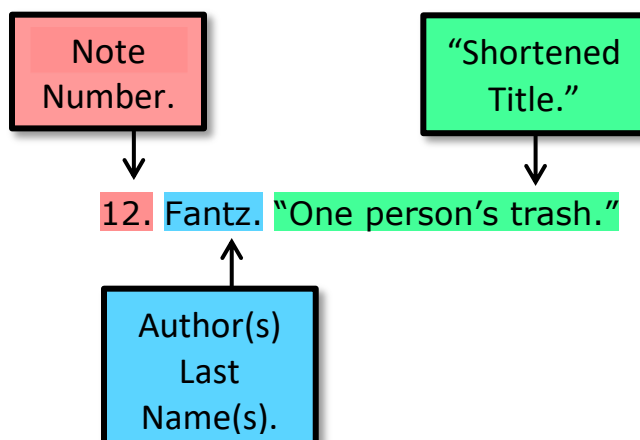

The Chicago Manual of Style, 17th Edition

Note (Full)

An initial *The* is omitted from a newspaper name. The addition of city name should be added, if it is not already in the title. The abbreviated name of the state may be added, in parenthesis. News services, such as Associated Press are not italicized. (Chicago Manual of Style rule 14.193).

Note (Short)

Bibliography

Newspapers cited in notes or parenthetical references do not need to be listed in a bibliography, according to (Chicago Manual of Style rule 14.198).
