**Don't Waste Time Standing in Line!**

**TO OBTAIN A VALENCIA STUDENT ID,  
THE FOLLOWING MUST BE COMPLETED:**

**• YOU MUST BE REGISTERED FOR THE UPCOMING SEMESTER.**

**• YOUR CLASSES MUST BE PAID IN FULL:**

- If you are using FINANCIAL AID, your account must reflect that the particular aid has been processed and will cover your classes. We cannot issue an ID until your account reflects the above.**
- If you are PAYING OUT OF POCKET (i.e. CREDIT CARD, CASH, CHECK), your account balance must be at \$0.00. \*If you are paying out of pocket and using the T.I.P.S. program, you will need to provide the confirmation that you received when the first payment was made.**
- If you are using the VA DEFERMENT (GI BILL), you will need to provide the deferment paper. If you do not have the deferment paper, you may be able to verify through your account, the Business Office or through the VA office here at Valencia.**
- If you are using FLORIDA PRE-PAID, there may be a balance left over after Florida Pre-Paid has processed. This is due to Florida Pre-Paid not covering extra class or lab fees. You will need to pay any remaining balance to bring your account to \$0.00.**

**• YOU MAY CHECK WITH THE BUSINESS OFFICE IF YOU ARE STILL UNSURE ABOUT YOUR CURRENT ACCOUNT STANDING.**
