**Plan**

1. **Goal** - principal purpose of plan (include how this relates to serving students or increasing student success or supporting LifeMap)

   Lead the Quality Enhancement Plan Co-Curricular Taskforce in piloting the Co-Curricular Certificate Program at the Lake Nona Campus.

2. **Objectives** - what will be accomplished and measured

   - Connect students to the 6 P's of the Quality Enhancement Plan: Purpose, Plan, Place, Personal Connection, Preparation, Pathways.
   - Design a recognition component for the Lake Nona model including a designation on the student transcript.

3. **Measures and Findings** - How specifically measures will be conducted. How will we know the objective has been achieved?

   - Formative and summative assessments will be written for each Certificate.
   - Number of students who participate and complete the Certificate program.
   - Student focus group with student completers.

4. **Action Plan** - what is the implementation plan?

   - Develop new Certificate programs in addition to the Lake Nona tracks.
   - Further develop components within current Certificate programs.
   - Pilot on Lake Nona Campus.
   - Write curriculum and assessment for each component.
   - Create an assessment plan.
   - Design communication plan.

5. **Achievement Summary/Analysis** - What was learned from the assessment results? What changes will you make in your initiative for the year to come?

   - Developed co-curricular for the New Student Experience course that was piloted in Spring 2014. Feedback led to adjustments for 2014/2015 implementation.
   - Piloted Lake Nona Campus tracks program – 39 Get On Track events were held and 799 students participated in at least 1 event; 11 students completed the certificate in Spring 2014.
   - Developed an assessment for the NSE co-curricular; Lake Nona assessment in place but working to develop it further.
   - Determined different tracks to develop fall 2014: health sciences, international, honors, as well as additional track developed by each Student Development Coordinator.
   - Work still in process:
     1. Developing a Communication Plan
     2. Developing a strategic development plan
     3. Recruiting additional committee members to develop, design, and implement
     4. Exploring software for a co-curricular transcript

6. **General Education**

   - Demonstrate understanding of the diverse traditions of the world, and an individual's place in it.
