

February 24

# Study Abroad Day

## Explore Europe with SIS Intercultural Study Abroad

Ready to immerse yourself in the rich cultures of Europe? SIS Intercultural Study Abroad offers affordable 4, 6, or 8-week summer programs in the heart of Siena, Italy, or Brussels, Belgium. Their unique programs combine academic learning with hands-on service opportunities, all while living with local families for an authentic cultural experience.

**Time: 9:00-10:00 AM**

Online Event - Register: <https://tinyurl.com/StudywithSIS>

## Set Sail Around the World with Semester at Sea

Study abroad on the world's most unique floating college! Semester at Sea brings together college students to study with world-renowned professors in a shipboard classroom setting and in 10+ countries around the globe. Earn college credit through courses accredited by Colorado State University. **The session will also highlight the many scholarship opportunities for students to help make this experience affordable!**

**Time: 10:00-11:00 AM**

Online Event - Register: <https://tinyurl.com/Sailtheworld>

## Intern or Volunteer Abroad This Summer

Learn more about the affordable internship and volunteer opportunities abroad with Intern Abroad HQ and International Volunteer HQ. Boost your resume and earn credit while exploring the world. With program locations around the globe in a variety of career/volunteer fields, there is a perfect program for everyone. Programs include placement, airport pick-up, orientation, accommodation, and 24/7 in-country support, making this experience easy!

**Time: 11:00 AM -12:00 PM**

Online Event - Register: <https://tinyurl.com/InternVolunteerAbroad>

Study Abroad and Global Experiences

## Boost Your Career with USAC Study Abroad

Since 1982, University Studies Abroad Consortium (USAC) has been offering affordable and enriching study abroad programs that not only boost your academic journey but also equip you with essential skills like time management, problem-solving, adaptability, and effective communication—key assets for any career. Transform your summer into an unforgettable learning adventure with USAC!

**Time: 12:00-1:00 PM**

**Online Event - Register: <https://tinyurl.com/SummerwithUSAC>**

## The GREEN Program Information Session

The GREEN Program is on a mission to educate and empower future leaders through experiential education, responsible travel, and adventure. Study in Peru, Iceland, Belize, New Orleans, Nepal, or Argentina and make an impact on the world. Funding is available and we will showcase special scholarships for their new program in Indonesia!

**Time: 1:00-2:00 PM**

**Online Event - Register: <https://tinyurl.com/theGREENProgram>**

## Smart Strategies for Funding Study Abroad

Unlock the secrets to financing your study abroad experience with SAGE. Learn practical tips and discover creative funding options to make your global education dreams a reality without breaking the bank!

**Time: 2:00-3:00 PM**

**Online Event - Register: <https://tinyurl.com/FinancingStudyAbroad>**

## Journeys Beyond the Job: Study Abroad Stories from Staff and Alumni

Explore the transformative power of studying abroad through the experiences of our alumni and staff members! Hear how their study abroad adventures shaped their perspectives, influenced their personal and professional paths, and inspired their passion for intercultural learning and education abroad. Whether you're planning your own experience or simply are curious about the different opportunities, this event is sure to spark inspiration and provide valuable perspectives.

**Time: 3:00-4:30 PM**

**Online Event - Register: <https://tinyurl.com/JourneysAbroad>**

**Join us for our West Campus Study Abroad Fair  
Tuesday, February 25, 11:00-2:00, Building 11-106**
