

New Features for Unicheck in SpeedGrader

The New Unicheck Reporting tool has several new features that you may see when analyzing the report in SpeedGrader. When Unicheck is enabled for an assignment, the reporting tool will provide a similarity report that you may view in SpeedGrader and also download as a PDF. The key features of the report are provided below as well as a detailed explanation of how to interpret the report.

SUBMISSION DETAILS

By clicking on **Paper Details** at the bottom of the Unicheck Similarity Report this will reveal the Submission Details on the right hand side.

The new features in this area are:

- Word count
- Character count
- Page count

PAPER

Sample_Student_Essay1

81.7% Matches

WORDS: 684 CHARACTERS: 3441 PAGES: 7

FILE ID: 00001234

CHECK ID: 12345678

FILE SIZE: 33.98 KB

ADJUST SETTINGS

You can adjust Exclusion Options by clicking **Options** in the upper right corner when looking at a report while in SpeedGrader.

EXCLUSION OPTIONS

Exclude Quotes

Exclude References

Exclude Sources less than:

8 Words
