# 2022-2023 Career Pathways Articulation Agreement
Between
Valencia Computer Information Technology Program and
Orange County Public Schools Java Development & Programming Program

High school students can earn Valencia College credits in the articulated Associate in Science degree program by meeting the following requirements: 1. Complete required Foundations of Programming course with grade "C "or better. 2. Prior to high school graduation, students must pass required assessment with minimum score of 70%. *3. Enroll and attend Valencia College after high school graduation.* Valencia College will award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution. *PLEASE NOTE: The following course can only be applied to the Computer Programming and Analysis or Computer Information Technology A.S. degree programs at Valencia College*

1. Complete this required secondary course.	→	2. Pass required joint assessment.	→	3. Receive credits for these Valencia courses*
Foundations of Programming (9007210)		Assessment for award of credit consists of minimum score of 70% on test approved by Valencia and graded by high school faculty.		COP 1000C Introduction to Programming Concepts (3 college credits)

Series of Videos used for COP1000 located at:
http://faculty.valenciacollege.edu/carchibald/ComputerProgrammingConcepts.htm

*To claim credit, please go to https://valenciacollege.edu/students/career-pathways/get-your-credits.php and click on the words "Get your Credits"
This will take you to a form to fill out and it will be emailed to the Career Pathways Office
