# 2022-2023 Career Pathways Consortium Articulation Agreement
Between
Valencia Information Technology Program and
Orange/Osceola School Districts Web Development Program

High school students can earn Valencia College credits in the articulated Associate in Sciences degree program by meeting the following requirements: 1. Complete required secondary Foundations of Web Design course with grade "C "or better. 2. Prior to high school graduation, pass required joint assessment with minimum score of 70% or passing score on CIW industry certification. *3. Enroll and attend Valencia College after high school graduation.* Valencia College will award Career Pathways credits up to 24 months after high school graduation. Students wishing to transfer these Career Pathways credits to another college or university should first check with that institution. *PLEASE NOTE: The following course can only be applied to the Computer Programming and Analysis or Computer Information Technology A.S. degree programs at Valencia College*

1. Complete required secondary course.	2. Pass required joint assessment.	3. Receive credit for this Valencia course*
Foundations of Web Design (9001110)	Assessment for award of credit is minimum score of 70% on test approved by Valencia and graded by high school faculty or a passing score on Industry Certification CIW – Site Development Associate (PROSO020).	COP 2822C Web Site Development (3 college credits)
